Welcome Back!

8th September 2019

Welcome back! We hope you all had a very enjoyable summer break! Staff at Dysart are recharged and excited about the coming year ahead! It was great to see the pupils return to school last Thursday and settle so quickly into their new classes and new routines.

Over the summer holiday, lots of hard work took place to make the site at Dysart even better for pupils.

We have had a wheelchair ramp built on the way to our meeting rooms, making the site more accessible.

We have also installed some fencing around the swings in Adventure Play. This was something suggested by our two Safeguarding Ambassadors, Andrew and Charlie; well done to them for that excellent suggestion, helping to make Dysart even safer!

There was lots more work that took place across the school as well. Many thanks to Dave and Neil and to all the other staff who worked so diligently throughout the six weeks.

Last Thursday also saw the first day for pupils in Apollo class, which is based at School Lane. It's a brand new provision and will allow us, working in partnership with Tolworth Infants, to access learning opportunities we have not have previously been able to, whilst maintaining the structured and supportive SEND-centred ethos of Dysart.
