

# Learning Together **#smilingtogether2020**

**Our mission is to spread happiness, positivity and smiles across our local communities.**

To get involved in the **Learning Together Community** make sure you and your under five family community are following the **Chit Chat Pitter Pat** [facebook.com/chitchatpitterpatLBWF/](https://facebook.com/chitchatpitterpatLBWF/) and [instagram.com/chit\\_chat\\_pitter\\_pat/](https://instagram.com/chit_chat_pitter_pat/)

## Here's how we can do this together....

1. Together create a picture with a smiley face or lots of smiley faces. Make it as colourful and happy as you can!
2. Take a photo of your smiley face picture and post it online and on the Chit Chat Pitter Pat pages with **#smilingtogether2020**
3. Put your picture up in your window for everyone to see!

Lets see your smiles!
