

6th May 2020

Dear families

I wanted to write to you again, in these uncertain times, to update you on events and meetings that will be coming up in the school calendar for the remainder of this academic year.

Whilst social distancing will, I'm sure, remain in place for some considerable time to come, all whole school events will be cancelled. When considering whether it will be possible to postpone an event until the autumn term, we will follow government guidelines. One of our most popular events each year is the Celebration BBQ; if guidelines allow, we may try to hold class events later in the year to celebrate student achievements.

The parent curriculum target meetings which were scheduled for next week will be considered again once we know more about when and how schools will be reopened.

EHCP meetings should now take place using Google Meets, a safe platform which will enable us to properly share the PowerPoint with you. We will be in touch with individual families regarding the date and time for the EHCP meetings; however if you feel that this would be a difficult way for you to be part of the meeting, please do let your class teacher know so that we can consider any potential alternative arrangements.

There will be some of you whose child will be leaving this summer having been at Dysart for many years. The Leavers' event is an important rite of passage, to celebrate the student's achievements and for everyone in school to be able to say a fond farewell. We will give this event some thought and will be in touch with the families concerned.

If you have any questions at all, please do not hesitate to contact me.

Stay well and safe.

Yours sincerely

**Leigh Edser
Principal**
