27th April 2021

Dear families

Dysart School Expansion

Following the expansion consultation process which started in January 2021, I am delighted to announce that the Department for Education has confirmed that the expansion has been approved.

I would like to take this opportunity to thank all of you who took part in the consultation.

This is a very exciting time for Dysart as we can continue to grow and from September 2021 we will have an additional class located at the former North Kingston Children's Centre, three miles from the main school site.

This expansion will give us the opportunity to offer more, much needed, places for children and young people with special educational needs and its location will enable us to reach, and work with, an even wider community.

I am sure you will be pleased to hear this wonderful news – something for all of us too look forward to in what has been such a difficult year.

I will keep you updated of any progress in what will be a busy time. However, if you have any questions at all please do not hesitate to get in touch.

Yours sincerely

Leigh Edser
Principal
